### semaphore

Pre-electronic flag letter signals for naval communication represented in a circle. The peace sign was created by combining the letters N (Nuclear) and D (Disarmament).

### international morse code

The world's first digital code. The length of each letter's code corresponds to the frequency of that letter's usage in Morristown, New Jersey's newspaper in 1837.

### international code of signals

These maritime flags are used to visually communicate letters and messages while maintaining radio silence.
